

Kyowa Kirin Limited is proud to have made the following Transfers of Value to Patient Groups during 2017

United Kingdom

The National Osteoporosis Society Manor Farm Skinners Hill, Camerton Bath BA2 0PJ	£12,000.00	Investor Level Membership of the Bone Health Partnership. The relationship exists at an organisational level (not product or brand) and provides a means by which a corporate member can publically demonstrate its commitment and show its support of the charity.
	£10,000.00	Donation to support the organisational costs of a National Osteoporosis Society educational conference for healthcare professionals.
	£9,730.00	Payment for space for an exhibition stand at eight National Osteoporosis Society professional educational study days for UK healthcare professionals.
CLIMB Climb Building 176 Nantwich Road Crewe CW2 6BG	£10,000.00	Unrestricted grant to enable the patient organisation to facilitate and participate in activities to support Children Living with Metabolic Bone Disease and their families.
	£262.26	Donation to the organisation towards expenses for providing a speaker at a Kyowa Kirin organised meeting to educate the UK Medical Affairs Team in patient experiences of living with X-linked hypophosphatemia (XLH).
Pain UK 68 Brighton Cottages Copyhold Lane Haywards Heath RX16 1XT	£1628.78	Donation to support a Pain UK stand and attendance of a patient organisation representative at a UK Healthcare Conference.

All payments are inclusive of VAT where applicable.

Republic of Ireland

No requests for financial support were received from patients groups based in Ireland.
